# Schulich Awards & Financial Support

“ The \$1,600 entrance scholarship to McGill University’s  
MBA program was probably the **most valuable**  
\$1,600 I’ve ever had... It changed my life.”

SEYMOUR SCHULICH, OC (HON LLD '03)  
President  
Sheriff Capital Corporation Ltd.

## Seymour Schulich, Distinguished Benefactor

The MBA scholarship he won left distinguished benefactor Seymour Schulich with a conviction that if he could ever do the same to help young people in a similar way, he would. He has remained true to his word.

The first beneficiaries of Seymour Schulich’s commitment were Canadian business schools. Within years of graduating with his MBA in 1965, Mr. Schulich had established scholarships supporting business students interested in entrepreneurial studies. At Schulich, the \$3,500 “Schulich Scholarship for Entrepreneurship” was created in 1984.

In December of 1995, Seymour Schulich made what was the largest donation to any university in Canada’s history – a \$15 million endowment that made possible a series of undergraduate, graduate and postgraduate entrance scholarships which are renewable throughout each winner’s program of studies. As well, the gift made possible the creation of a series of named academic chairs in a range of management fields. In recognition of this major contribution to York and of its potential impact on management excellence in Canada, the University’s Faculty of Administrative Studies was renamed the Schulich School of Business.

Seymour Schulich’s generous support of the School has continued. His gifts have literally transformed the Schulich School of Business. Schulich scholarships have helped to attract outstanding students to its degree programs. Similarly, the new academic chairs have attracted some of the world’s leading scholars to Schulich. Donations to capital campaigns have helped make possible the building of the award-winning Schulich School of Business and Executive Learning Centre complex. They have also been used to strengthen all aspects of the Schulich School’s profile as one of the world’s leading schools of management.

#### A MESSAGE FROM THE DEAN

## The Schulich Advantage. Global. Innovative. Diverse.

Our standing in the world’s top tier of management schools is one of the many advantages Schulich offers you. Another is our extensive financial aid program made possible through the generous support of the School’s many stakeholder groups. Support in the form of financial aid makes it possible for us to fulfill our mission to graduate men and women who will become business leaders of the highest calibre, and to prepare them to succeed in a constantly changing world.

As you read this summary of our awards and financial support, you will find a full range of scholarships and awards available to incoming and continuing students with high academic standing. As well, an extensive bursary program makes it possible for students in financial need to pursue a Schulich degree.

Scholarships, bursaries and awards add value to the overall Schulich experience in a number of ways. They allow us to attract the world’s best and brightest students. The exceptional quality of these students guarantees a high level of classroom interaction. As well, their diversity in terms of educational, cultural and work backgrounds enriches every class and adds multiple perspectives on business and decision-making.

Scholarships, bursaries and awards make it possible for our undergraduate, graduate and postgraduate students to spend more time on their studies instead of having to work. With this extra time, they are also able to get more involved in extracurricular activities. Such activities help build essential networks of contacts, develop leadership skills and complement in-class learning.

Scholarship, bursary and award recipients report that having their academic excellence recognized builds confidence and self-esteem. Such recognition also strengthens their résumés.

A Schulich degree provides graduates with a high return on their original investment of time, energy and capital. As a result, many of our alumni choose to reinvest in future generations of Schulich students through their gifts of financial aid. Gifts to the Schulich scholarship, award and bursary program are critical to School’s future success. I am extremely grateful to the many donors who have supported our programs. They have made a major difference in the life of this School, as well as in the lives of the student scholarship, award and bursary winners.

Schulich's award program rewards the achievements of incoming students. The School has created numerous awards that are among the **highest value offered** to business students in Canada.

#### Schulich Donor Spotlight

The Robert Krembil Awards program is like no other. Since its establishment, the program has propelled the School's recruitment efforts, success in global rankings, and our global reputation. As a result of the Krembil Foundation's generosity, the Schulich School attracts the world's brightest minds to our MBA program.

#### Schulich Donor Spotlight

"From an early age, my parents taught me the importance of a formal education. With their encouragement and support, they provided me with the opportunity to attend the Schulich School of Business."

< GARY MCKINNON (MBA '70)

In honour of his parents memory, Gary made a donation of \$25,000 to Schulich for student financial aid.

*Graduating from Schulich in 1970, I was the first member of the McKinnon family to complete university.*

*I fondly remember the time I spent attending Schulich and, in particular, the high quality of the School's program, professors and students. I wanted to give students who would not otherwise have the means, the chance to attend Schulich.*

*In honour of my parent's memory, I made a donation of \$25,000 to the Schulich School of Business for student financial aid. I am very pleased that this donation was matched by the Ontario Government through its Ontario Trust for Student Support (OTSS) program and endowed in perpetuity at York University for years to come.*

*The result of this endowment is the creation of the **McKinnon Family MBA Entrance Award**, which is provided each year to an incoming MBA or IMBA student in recognition of academic excellence and merit. For selection, students must also demonstrate financial need.*

*Some students have the ability, but not the means, to attend Schulich. It is my fervent hope that this financial contribution, in some modest way, will aid future business leaders in their pursuit of excellence.*

*Gary McKinnon, MBA '70*

# Student loan programs

## Ontario Student Assistance Program At A Glance

### OSAP

The Ontario Student Assistance Program (OSAP) is an application-based government aid program for Ontario resident students. Based on the government's assessment of your educational costs and expected financial resources, OSAP offers a mixture of repayable loans and grants (money you will not need to repay).

Both the Ontario government and Federal government provide this money.

For complete OSAP information and to apply online, go to the government's OSAP website at <http://osap.gov.on.ca>

Loans are payment-free and interest-free while you are enrolled as a full-time student. OSAP is a need-based program and is intended to contribute to a student's educational costs, not to replace the financial responsibilities of the student and his/her family.

### Eligibility

OSAP is open to Ontario residents who are a, Canadian citizen, permanent resident or protected person.

Students may be eligible for the following programs:

- Canada Student Loans
- Ontario Student Loans

Please see the government website for a detailed breakdown of factors considered when determining your eligibility.

### Maximum OSAP Assistance

For OSAP maximums, please consult the OSAP web site. Please note that OSAP maximum loan amounts do not cover the full cost of MBA program tuition.

### How to Apply

Full-time students may apply on-line at no charge through the OSAP web site at <http://osap.gov.on.ca>. Once your application has been processed, you will receive by mail a notice of assessment indicating the amount of your funding.

### OSAP Deadlines

An OSAP application must be submitted for each academic year. It is recommended that you apply approximately ten weeks before the start of your study period. For two-term and three-term programs, the following deadlines apply:

- If your application is received within the first 45 days of your study period, you will be eligible to receive OSAP funding for your entire study period.
- If your application is received after the first 45 days of your study period and no later than 90 days before the end of your study period, you will be eligible to receive OSAP funding from the date your application is received.
- If your application is received less than 90 days before the end of your study period, you will not be eligible to receive OSAP funding.

### Part-time Studies

If you are a part-time student (enrolled in 7 1/2 credits or less), you may apply for a part-time Canada Student Loan. Students may download an application on the forms webpage of the OSAP web site at <http://osap.gov.on.ca>.

### Out-of-Province Students

### York Awards

The following is a list of awards offered by York University for which PhD Candidates at the Schulich School of Business are eligible:

#### Fieldwork Costs Fund

---

This Fund was established for PhD students to defray the cost of theses and dissertation research that must be carried out "in the field."

A maximum of \$5,000 will be awarded to each individual recipient.

#### Research Cost Fund

---

This Fund was established to help subsidize students' own research expenses that are above and beyond those costs that are typically associated with graduate work, such as travel to sources of research, payment of subjects, supplies, services and photocopying. The Fund generally does not cover books, conference costs, subsistence and tuition fees. ("Generally" means that the Committee will award funds if it is convinced that the expenses are essential for the completion of the research and/or a cheaper alternative is not available.) All full-time registered graduate students who are members (past and present) of CUPE are eligible for a grant. Master's students should note that Doctoral students take priority. Application forms are available on the York Faculty of Graduate Studies web site at the beginning of the Fall and Winter sessions. Deadlines for application are set by individual programs.

VALUE: Variable

### Elia Scholars Program

---

The Elia Scholars program is York University's most prestigious graduate award, enabling York to attract domestic and international Doctoral students of the highest possible calibre, and ensuring that those students have the opportunity to participate in York's distinguished graduate programs (<http://www.yorku.ca/grads/>). This commitment to excellence at the highest level of academic study both commemorates a distinguished benefactor of the University and his family, and reinforces York's reputation for and commitment to excellence. All students entering a full-time Doctoral program at York University are eligible for appointment as Elia Scholars. For terms of the award, see [www.yorku.ca/grads/financial](http://www.yorku.ca/grads/financial)

### Ontario Trillium Scholarship

---

The Ontario Trillium Scholarships (OTS) program is a significant initiative to attract more of the best qualified international students to Ontario for doctoral studies. International students with a first class average are eligible. For complete terms of the award, see [www.yorku.ca/grads/financial](http://www.yorku.ca/grads/financial).

VALUE: \$40,000 renewable for up to four years

### York Graduate Scholarship

---

York University offers a limited number of scholarships to students entering programs at the Master's and Doctoral levels. There are no application forms for these scholarships. Offers are made by the graduate programs to selected applicants who have unequivocal "A" standing in their previous two years of study. Selection is made at admission.

VALUE: \$2000

## CREATE A LEGACY

# Supporting student education

Help create a **new generation of leaders**

at the Schulich School of Business by supporting scholarships, awards and bursaries for current and future students.

Pursuing a business degree isn't easy. Students have to manage program fees, living costs, family demands, and, in some instances, international travel expenses. An offer of financial support can prove to be the deciding factor both for talented students continuing their post-secondary studies and working professionals returning to school to upgrade their skills.

Attracting the best students and supporting them throughout their studies is a top priority of the Schulich School of Business and key to our ability to maintain a competitive student experience. Some of our awards are among the highest value offered to graduate business students in Canada.

By establishing new scholarships/bursaries/awards, you are investing in the business leaders of tomorrow, who will undoubtedly go on to make significant and meaningful contributions to the global society for years to come. Help us ensure that a lack of financial resources is never a barrier to current, and future Schulich students.

At the Schulich School, we have a number of different categories of awards and funding options, which include:

## Award Types

### Scholarship

---

Scholarships recognize exceptional talent/promise or academic excellence in a program or specialization at Schulich, like finance or entrepreneurial studies. In some cases, scholarships may also include non-academic criteria (i.e., leadership, volunteerism).

### Award

---

Awards combine academic and/or non-academic criteria (i.e., leadership, volunteerism) and/or financial need.

### Bursary

---

Bursaries are designed to assist students who have financial need. Recipients must be in good academic standing.

KRUDO DE JESUS (IMBA '14)  
Dean's International Scholarship \$12,000

## Support Options

### Creating an Endowment

---

An endowed scholarship/bursary/award is a powerful opportunity for a Schulich donor to generate a lasting, long-term impact for future generations of Schulich students. With your generous gift, an endowment fund is permanently established at York University and this fund is responsibly invested, in perpetuity, by York University. Each year, a portion of the interest income earned on your endowment gift is distributed to the student recipient(s) of your scholarship/bursary/award. As you can imagine, over time your endowed fund will build its financial strength and deepen its impact. At the Schulich School of Business, gifts of \$25,000 or more are eligible for endowment.

### Annually Funded

---

As an alternative to establishing a permanent endowment, some donors consider providing crucial financial aid funding to Schulich students on an annual basis. Donors can establish new annual scholarships/bursaries/awards by pledging support for a minimum of three years. At the Schulich School of Business, annual support of \$1,000 or more will allow for the creation of a new scholarship/bursary/award.

#### You can support Schulich's financial aid program in many ways
