GTA Alumni Ambassador program

Summary:

This program is aimed at creating a vibrant and engaged alumni community, by promoting networking opportunities and interactions among alumni, students and prospective students (if applicable), as well as helping with brand building. It will launch with five dedicated Schulich alumni ambassadors who will play a pivotal role in enhancing connections among their peers.

Role of Ambassadors:

Each Schulich Alumni Ambassador will be responsible for hosting two alumni networking events (preferable dinners) per year at their location of preference within the GTA. The Ambassador will also serve as a brand ambassador of the Schulich School of Business and promote a sense of pride among their peers and external stakeholders.
