The Master of Accounting is a professional degree program designed to develop students’ academic and intellectual abilities in all fields of professional accountancy. Successful graduates will have acquired in-depth knowledge in all of the sub-disciplines that constitute the broad field of accounting and will have also deepened their expertise in two chosen areas. They may proceed to write the Common Final Examination after graduation.

## Your MAcc Journey

### What Term Do I Apply For?

<table>
<thead>
<tr>
<th>I have a University Degree from a non-Canadian Institution</th>
<th>Apply to the Diploma in Intermediate Accounting (Term 0)</th>
</tr>
