#### A MESSAGE FROM THE DEAN

# The Schulich MBA in India. A world of opportunity.

**Schulich’s MBA in India program offers you a unique opportunity to earn a globally recognized MBA degree from one of the world’s leading international business schools.**

As the first major global business school to deliver an internationally recognized two-year MBA program in India, with the first year in India and the second year in Toronto, Canada, the Schulich School of Business at York University is acknowledged as a leading provider of world-class management education and training to many of India’s best and brightest students.

Accredited by the All India Council for Technical Education (AICTE), Schulich’s MBA in India program launched in 2010 and is now offered in partnership with the GMR School of Business in Hyderabad.

Schulich’s ties to India go back more than 20 years and were formalized with the establishment in 2005 of a Satellite Centre in Mumbai. The School has had exchange partner agreements with a number of India’s leading management schools, including the Indian Institute of Management (IIM) Ahmedabad, IIM Bangalore, the Indian School of Business (ISB) and S.P. Jain Institute of Management and Research.

Known today as “Canada’s Global Business School™” the Schulich School of Business is ranked among the world’s leading schools of management and is one of the

world’s truly transnational business schools. The School has earned a strong reputation around the world based on its global reach, innovative programs and diverse perspectives. Wherever your future career takes you, your Schulich MBA degree will serve as your educational passport to success in business.

We are very excited to offer Schulich’s MBA in India program at our newly constructed campus in Hyderabad and invite you to learn more about it.

“Schulich’s MBA in India program is proud of its strong track record in developing global managers who have gone on to enjoy successful careers in business in many countries around the globe.”

**ASHWIN JOSHI, PhD**  
Executive Director, Schulich MBA in India Program  
Associate Professor of Marketing  
Schulich School of Business

## A GLOBAL PERSPECTIVE.

# A lifetime investment.

Schulich’s MBA in India program offers you an unparalleled opportunity to complete one of the world’s leading MBA programs during alternating years of study in two distinct trade regions on two continents.

You will be exposed to the diverse and innovative curriculum of Schulich’s globally focused degree program. You will also have the opportunity to experience first-hand two very different economies of the world during your first year at Schulich’s GMR campus in Hyderabad, India and your second year at Schulich’s Toronto campus at York University.

Throughout the two-year integrated MBA program you will be taught in person by leading Schulich faculty. You will gain a strong global perspective on core business issues, including Schulich’s world-leading “triple bottom line” approach to decision-making that encompasses economic as well as social and environmental considerations.

During your second year in Toronto you will study with classmates from highly varied educational, cultural and professional backgrounds.

You will complete the six-month Strategy Field Study within a corporate or nonprofit organization as the hallmark of your Schulich MBA program, a real-world experience that will set you apart from the competition.

And, you’ll have an opportunity to select courses from 19 areas of specialization, ranging from accounting, marketing and organizational studies to global mining management and real estate and infrastructure, as you tailor your MBA studies to meet career goals.

Best of all, you will have an opportunity to participate in student club events, business case competitions, conferences and attend guest lectures alongside students from Canada and around the world.

Through this truly international experience, you will further strengthen your communication, team-building and interpersonal skills, while you expand your global network of contacts to draw on for years to come.
