**BACHELOR OF BUSINESS ADMINISTRATION (BBA)**

The Bachelor of Business Administration (BBA) offers a comprehensive four-year honors business degree with a choice of six specializations. Support your business career with non-business electives in areas of interest and receive a business education that will set you apart in a borderless business world. As you progress through the program, you will be continuously inspired inside and outside the classroom to strive for business excellence.

**INTERNATIONAL BACHELOR OF BUSINESS ADMINISTRATION (iBBA)**

The International Bachelor of Business Administration (iBBA) is a four-year honors business degree that builds on the corporate international reputation of the School. BBA students pursue business through multiple lenses via internationally focused core courses, regionally focused electives, an award-winning study abroad program, and a mandatory exchange term abroad in Year 3 or 4. Business electives are available in an International Context.

**ADMISSION REQUIREMENTS**

- **Supplementary Application**
  - The supplementary application is used to provide the admissions team with a better understanding of the complete student. Still academic performance is important, Schulich is looking for well-rounded individuals with a variety of background experiences, resilience, and empathy towards others.
