Courses
Students can view our course offerings on the following webpages:

>> BBA (Undergraduate)
>> MBA (Graduate)

- Exchange students may only take courses taught at the Schulich School of Business.
- Exchange students may not take core courses at Schulich.
- Not all courses are offered every term.
- Fewer courses are offered in the summer (MBA only).
- Exchange students must meet course pre-requisite requirements.

Language of Instruction: English

Full-time Workload
All students must be enrolled in a full-time workload. Each full-time course (0.030) is equal to 3 Schulich credits.

| Full Course Load | 12 Schulich credits (4 full-time courses) or 15 Schulich credits (5 full-time courses) |
| Full Course      | 3 hours of class per week for 12 weeks, equalling 36 contact hours per course |

*Schulich also has some half term courses (.015) for the graduate program.

Learning Expectations
Elective courses at Schulich have small class sizes where professors use a variety of teaching methods including lectures, case studies, individual and group projects, term papers, business games, presentations, exams and classroom discussions.

Attendance is mandatory. Class participation is usually part of the final grade. If a student does not wish to continue in one of their registered courses, they must formally drop by the drop deadline. Failure to do so will result in a grade of ‘F’.

Exams
Final exams take place the week(s) following the last day of classes. Most exams are in written format. Students should not make plans to travel home before the end of the exam period.

Grades and Transcripts
An official transcript is sent to the home institution. Additional transcripts can be ordered online through the Registrar’s Office. Students are able to view their grades online.
