Schulich
International Student Arrival Guide (BBA/iBBA)
Dear International Student,

Congratulations on being accepted to the Schulich School of Business at York University in Toronto, Canada!

Our team in the International Relations Office look forward to welcoming you to Schulich, Toronto, and Canada. We hope that your time here will be a successful one filled with exciting opportunities.

Our office is dedicated to making your transition to Canada a smooth one. We have compiled this arrival guidebook for International Students to address some of the most frequently asked questions about arriving on campus and getting settled in the community. We hope that you will find this guide helpful.

Please get in touch with us if you have any questions. You may also have questions about course enrolment and academic advising. Don’t worry! You will be in regular contact with the Undergraduate Programs Unit on these topics throughout the summer months, and as you begin your Schulich journey in September.

We look forward to speaking with you on July 18, 2018 at the Pre-Arrival Webinar and meeting you in person at the International Student Orientation on August 30 – August 31, 2018.

Sincerely,
Tina, Ann, Lan and Tim

PREPARING TO ARRIVE IN CANADA

Study Permit and Entry to Canada

International BBA/iBBA students require a study permit to study in Canada. Review the application, supporting document requirements and processing times before applying. We encourage you to apply early to allow sufficient time to receive your travel documents. Upon approval, you will receive a Letter of Introduction from the visa office to give to the border officer when you arrive in Canada, as well as either a temporary resident visa (TRV) or electronic travel authorization (eTA), which will be automatically issued, depending on your country of citizenship. You will also need to bring a copy of your acceptance letter along with other documents with you when you arrive. Your study permit will be issued at the border upon your arrival in Canada. Be sure to review it carefully before leaving the airport.

If you are already in Canada with a study permit to attend high school, you must apply to change your study permit before starting your program at Schulich. Your high school study permit does not allow you to study at the post-secondary level. You can apply to change and extend your study permit within Canada, and your new study permit will be mailed to you.

Work Authorization
Work authorization and work permits available to international students during and after your program will be discussed at the International Student Orientation in August.

Social Insurance Number (SIN)
The SIN is a 9-digit number that you need to work in Canada and file your taxes. You can apply for a SIN with either a valid work permit or study permit that states work authorization (check this when they print your permit at the point of entry). You may apply for one in person:
• From the Service Canada office at Pearson Airport (after passing through Immigration) – Office hours vary
• From any other Service Canada location. For more information, please visit Service Canada website.
