Students may be eligible for government student loan funding through the Ontario Student Assistance Program.

OSAP at a Glance

Financial aid is available to students in the form of Canada and Ontario Student Loans, through the Ontario Student Assistance Program (OSAP).

OSAP is designed to relieve the financial burden of pursuing higher education through a combination of repayable loans and grants. It is a need-based loan program.

Loans are payment-free and interest-free as long as you are enrolled as a full-time student for every term of assessment. At York University, to be considered a full-time student, students must be enrolled in at least 9.00 credits per term; credits cannot be averaged out over the year.

Changes in circumstances throughout the school year can affect OSAP entitlement for the year. Depending on the change, awards may increase or decrease. Changes to course load, income or residence can all affect entitlement. To ensure that any change in entitlement is not detrimental to post-secondary studies, students should consult with a representative from Student Financial Services.

Eligibility

OSAP is open to Ontario residents who are a:

- Canadian citizen
- permanent resident or
- protected person

Please see the government website [ontario.ca/osap] for a detailed breakdown of factors considered when determining your eligibility.

Maximum OSAP Assistance

For OSAP maximums, please consult the OSAP website. Please note that OSAP maximum loan amounts do not cover the full cost of tuition at the Schulich School of Business.

Out-of-Province Students

For information regarding other provincial student loan programs, please consult the website of your provincial student assistance office. Out-of-province student assistance information and website links are available at www.sfs.yorku.ca/aid/outofprovince.

How To Fund Your Studies

1. Keep your grades up
Access Schulich and York’s top scholarships and entrance scholarships by keeping up your average.

2. Apply for entrance scholarships & awards
The Online Scholarships, Awards & Bursaries Application is open from December 1 to April 1 and is available through MyFile at go.yorku.ca/myfile. Your York reference number (provided when you applied for admission) is required to complete the online form. Apply early — you don’t need to wait for an offer of admission.

3. Apply for OSAP
95% of students who are Ontario residents and apply for OSAP receive loan and/or grant funding. The application opens in November each year. Complete the application and submit all necessary documents by June 30 to have funds for September studies. osap.gov.on.ca

4. Apply for in-course scholarships & awards
Once you are enrolled in classes, you can apply for in-course awards for each academic session. A single application, called the Student Financial Profile (SFP) is used for scholarships, bursaries and on-campus employment programs. You should complete the SFP to be considered for a variety of programs and funding. go.yorku.ca/sfp18

5. Explore on-campus job opportunities
Many York students work on-campus to earn extra money, gain valuable experience and contribute to University life. Work in student services offices at a work/study position and gain technical experience and knowledge to help you prepare for your career.
Help create a new generation of leaders at the Schulich School of Business by supporting scholarships, awards and bursaries for current and future students.

**Invest in business leaders of tomorrow**

Pursuing a business degree isn’t easy. Students have to manage program fees, living costs, family demands, and, in some instances, international travel expenses. An offer of financial support can prove to be the deciding factor both for talented students continuing their post-secondary studies and working professionals returning to school to upgrade their skills.

Attracting the best students and supporting them throughout their studies is a top priority of the Schulich School of Business and key to our ability to maintain a competitive student experience. Some of our awards are among the highest value offered to graduate business students in Canada.

By establishing new scholarships/bursaries/awards, you are investing in the business leaders of tomorrow, who will undoubtedly go on to make significant and meaningful contributions to the global society for years to come. Help us ensure that a lack of financial resources is never a barrier to current and future Schulich students.

**Leading Change**

The 50th Anniversary of the Schulich School of Business heralded a half century of global business leadership and the launch of the biggest and boldest campaign in the School’s history: Leading Change.

Leading Change is Schulich’s fundraising and alumni engagement campaign seeking to raise $50 million by 2021. Schulich is Leading Change through Campus Expansion, Innovative Thinking, Research & Discovery, Alumni Engagement and Student Success.

Gifts to Leading Change to benefit Student Success will help establish new, high value entrance scholarships, bursaries and awards for students. Endowed or term-funded awards will recognize the academic merit of students applying to attend Schulich from other countries or areas of Canada, while also aiding those who, otherwise, would not have the means to attend Schulich.

“Gifts to the Schulich School of Business in the form of scholarships, awards and bursaries have a major impact on the achievements of our students. These achievements in turn contribute in a significant way to the School’s continued success.”

Dezső J. Horváth, PhD, CM
Dean & Tanna H. Schulich Chair in Strategic Management, Schulich School of Business

**EXCELLENCE**

**TALENT**

**RECOGNITION**
At the Schulich School, we have a number of different categories of awards and funding options, which include:

**Award Types**

**Scholarship**
Scholarships recognize exceptional talent/promise or academic excellence in a program or specialization at Schulich, like finance or entrepreneurial studies. In some cases, scholarships may also include non-academic criteria (i.e., leadership, volunteerism). All scholarships appear on a student’s transcript.

**Award**
Awards combine academic and/or non-academic criteria (i.e., leadership, volunteerism) and/or financial need. Awards appear on a student’s transcript.

**Bursary**
Bursaries are designed to assist students who have financial need. Recipients must be in good academic standing. Bursaries do not appear on the student’s transcript.

**Support Options**

**Creating an endowment**
An endowed scholarship/bursary/award is a powerful opportunity for a Schulich donor to generate a lasting, long-term impact for future generations of Schulich students. With your generous gift, an endowment fund is permanently established at York University and is responsibly invested, in perpetuity. Each year, a portion of the interest income earned on your endowment gift is distributed to the student recipient(s) of your scholarship/bursary/award. As you can imagine, over time your endowed fund will build its financial strength and deepen its impact. At the Schulich School of Business, gifts of $25,000 or more are eligible for endowment.

**Annually funded**
As an alternative to establishing a permanent endowment, some donors consider providing crucial financial aid funding to Schulich students on an annual basis. Donors can establish new annual scholarships/bursaries/awards by pledging support for a minimum of three years. At the Schulich School of Business, annual support of $1,000 or more will allow for the creation of a new scholarship/bursary/award.
