The Graduate Business Council (GBC) acknowledges academic excellence through these awards. The Gold medal is presented to the graduating MBA/IMBA student from the Spring convocation exercise with the highest graduating average. The Silver medal is presented to the second highest achievement and the Bronze medal goes to the third highest academic achievement. Medals are presented at convocation.

Value: Gold, Silver and Bronze Medals

Graduate Business Council Award

In the spring of each year, the Graduate Business Council Award is presented to the graduating MBA/IMBA student who has contributed the most to his/her program.

Value: Medal

Graduate Award for Outstanding Contribution

This award is presented to a graduating MBA/IMBA student who has demonstrated dedication to both the Schulich School of Business and fellow students. The recipient must have made a positive impact on student life through involvement in extra-curricular activities such as student government, student publications, clubs, sports or other events and activities.

Value: Medal

Hennick Medal for Academic Excellence

The medal will be awarded annually to the top student graduating from the JD/MBA program with the highest cumulative grade point average over their two degrees.

STUDENT LOAN PROGRAMS

Full-time students may be eligible for government student loan funding through the Ontario Student Assistance Program.

OSAP at a Glance

The Ontario Student Assistance Program (OSAP) is a mix of grants and loans for students. Through one OSAP application, you have access to this mix of different financial aid programs, depending on your circumstances.

Both the Ontario government and Federal government provide this money. For complete OSAP information and to apply online, go to the government's OSAP website at www.ontario.ca/osap.

Loans are payment-free and interest-free while you are enrolled as a full-time student. OSAP is a need-based program and is intended to contribute to a student's educational costs, not to replace the financial responsibilities of the student and his/her family.

For a step-by-step guide, please visit the York University OSAP website at www.osap.yorku.ca.

Eligibility

OSAP is open to Ontario residents who are a:

- Canadian citizen
- permanent resident or
- protected person

Please see the government website for a detailed breakdown of factors considered when determining your eligibility.

Maximum OSAP Assistance

For OSAP maximums, please consult the OSAP website. Please note that OSAP maximum loan amounts do not cover the full cost of tuition at the Schulich School of Business.

Out-of-Province Students

For information regarding other provincial student loan programs, please consult the website of your provincial student assistance office.

Out-of-province student assistance information and website links are available at www.sfs.yorku.ca/aid/outofprovince.

Line-of-Credit

Schulich students who are Canadian citizens or landed immigrants may apply for a professional line of credit with any recognized Canadian financial institution.

Visit www.schulich.yorku.ca/financialaid/loans for a list of partnered banks and preferred rates for domestic students in professional programs.

Cost of Living

Full-time MBA Average Program Costs Per Term* (four months)

Books/Course Materials	\$ 750
Rent (On Campus)	\$ 5,000
Food	\$ 1,500
Personal Expenses	\$ 1,000
Health Insurance (UHIP + GSA coverage)	\$ 450
Approximate Cost Per Term (excluding tuition fees)	\$ 8,700

* The MBA program (full-time studies) is normally a four-term program. The IMBA program is a five-term program.

WE ARE LEADING CHANGE THROUGH STUDENT SUCCESS

Help create a new generation of leaders at the Schulich School of Business
by supporting scholarships, awards and bursaries for current and future students.

Invest in business leaders of tomorrow

Pursuing a business degree isn't easy. Students have to manage program fees, living costs, family demands, and, in some instances, international travel expenses. An offer of financial support can prove to be the deciding factor both for talented students continuing their post-secondary studies and working professionals returning to school to upgrade their skills.

Attracting the best students and supporting them throughout their studies is a top priority of the Schulich School of Business and key to our ability to maintain a competitive student experience. Some of our awards are among the highest value offered to graduate business students in Canada.

By establishing new scholarships/bursaries/awards, you are investing in the business leaders of tomorrow, who will undoubtedly go on to make significant and meaningful contributions to the global society for years to come. Help us ensure that a lack of financial resources is never a barrier to current and future Schulich students.

Leading Change

The 50th Anniversary of the Schulich School of Business heralded a half century of global business leadership and the launch of the biggest and boldest campaign in the School's history: Leading Change.

Leading Change is Schulich's fundraising and alumni engagement campaign seeking to raise \$50 million by 2021. Schulich is Leading Change through Campus Expansion, Innovative Thinking, Research & Discovery, Alumni Engagement and Student Success.

Gifts to Leading Change to benefit Student Success will help establish new, high value entrance scholarships, bursaries and awards for students. Endowed or term-funded awards will recognize the academic merit of students applying to attend Schulich from other countries or areas of Canada, while also aiding those who, otherwise, would not have the means to attend Schulich.

"Gifts to the Schulich School of Business in the form of scholarships, awards and bursaries have a major impact on the achievements of our students. These achievements in turn contribute in a significant way to the School's continued success."

Dezső J. Horváth, PhD, CM

Dean & Tanna H. Schulich Chair in Strategic Management, Schulich School of Business

EXCELLENCE

TALENT

RECOGNITION

At the Schulich School, we have a number of different categories of awards and funding options, which include:

Award Types

Scholarship

Scholarships recognize exceptional talent/promise or academic excellence in a program or specialization at Schulich, like finance or entrepreneurial studies. In some cases, scholarships may also include non-academic criteria (i.e., leadership, volunteerism). All scholarships appear on a student's transcript.

Award

Awards combine academic and/or non-academic criteria (i.e., leadership, volunteerism) and/or financial need. Awards appear on a student's transcript.

Bursary

Bursaries are designed to assist students who have financial need. Recipients must be in good academic standing. Bursaries do not appear on the student's transcript.

Support Options

Creating an endowment

An endowed scholarship/bursary/award is a powerful opportunity for a Schulich donor to generate a lasting, long-term impact for future generations of Schulich students. With your generous gift, an endowment fund is permanently established at York University and is responsibly invested, in perpetuity. Each year, a portion of the interest income earned on your endowment gift is distributed to the student recipient(s) of your scholarship/bursary/award. As you can imagine, over time your endowed fund will build its financial strength and deepen its impact. At the Schulich School of Business, gifts of \$25,000 or more are eligible for endowment.

Annually funded

As an alternative to establishing a permanent endowment, some donors consider providing crucial financial aid funding to Schulich students on an annual basis. Donors can establish new annual scholarships/bursaries/awards by pledging support for a minimum of three years. At the Schulich School of Business, annual support of \$1,000 or more will allow for the creation of a new scholarship/bursary/award.

You can support Schulich's financial aid program in many ways
