Q: What kind of orientation, if any, do you provide?
A: The International Students Office offers an Orientation session which includes social activities and informational meetings. (Residence permit, medical coverage/care in France, academic information, etc.).

Q: What teaching methods are used?
A: Tutorials, lectures, workshops, seminars. Please consult the courses syllabus.

Q: What is the regular workload?
A: 30 ECTS is the regular (and maximum) workload per semester for EDHEC students, the minimum workload is 20 ECTS. We have no rules for visiting students concerning the number of courses or credits that must be taken. The home university decides what the requirements are for their students (unless it is a Double Degree seeking student in which case they take all courses in their study programme, like regular EDHEC students). However, we strongly recommend a for Simple Exchange students workload of 30 ECTS.

Q: Can I change my course choice after the beginning of classes?
A: Once the Learning Agreement is approved by your home institution and signed, the modification of your course choice is not allowed. We strongly advise students to review carefully the syllabus of each course before choosing it, and to consult your coordinator before making a definite choice.

Q: Is class attendance mandatory?
A: Yes, class attendance is mandatory for exchange students, absences, early leaves are not allowed during the exchange period, and sick leaves should be justified by a medical report. Beyond 1 absence per 15h course or 2 absences per 30h course, the penalty shall be a 2‐point deduction from the final grade, this rule being applicable to all courses. In certain cases, students may be refused permission to sit their final exams. Attendance in classes is vital as it is not only the best interest of the student to attend classes regularly, but it also guarantees that groups function properly.

Q: Is the planning definite?
A: The planning is flexible and could be subject to modifications, so we advise you to check the schedule on daily basis. Please note that there is no online courses, so you are expected to stay until the last day of the semester.

A: Scale from 0 to 20, 10 is a passing grade = you obtain credits. Below 10 it is a fail = no credits awarded

Q: Do you offer make‐up exams?

A: Official transcripts are sent to home university by email. Students have access to their grades and official transcripts via their web Aurion account. For Fall semester: in February. For Spring semester: in June/July

- Library
- Photocopy machines and printers

Please note that EDHEC cannot sign any placement contract for Simple exchange students and French companies. Students must make arrangements with their home university. Visa procedure during the internship period should be checked with the French Embassy in the home country.
