

Thank you for your generous support last year! Our alumni's collective giving made a huge impact across our campus and for our students.

*The Schulich Alumni bursary allowed me the peace of mind needed to excel at the School. Thanks to the bursary, I was able to focus on my personal & academic growth and development – helping me get a head start on my career goals. I would like to thank the Schulich School and our Alumni for their incredible generosity in helping to develop the next generation of students."*

## The Impact of Alumni Support

Annual Giving is a tradition at Schulich and with your participation, you are part of something big. Schulich alumni's combined generosity enables our students and campus to thrive year after year.

Your support last year provided great opportunities for our School and students.

### Global Learning Journeys

The Schulich Annual Fund provided support to teams participating in variety of case competitions like the *Corporate Knights* 'Business for a Better World Case Competition' finals in Davos where Team Schulich placed 3<sup>rd</sup> and Ted Rogers Ethical Leadership Case Competition where Schulich Undergrad Team placed 2<sup>nd</sup>.

### Enhanced Student Experience

Continuous enhancements to student spaces and lounges throughout the building, most notably the upgrade of A/V equipment in class, lecture and breakout rooms to optimize student learning experience.

### The Schulich School of Business Alumni Bursary

Established by generous alumni contributions received each year towards the Schulich Annual Fund, the bursary supported undergraduate and graduate Schulich students who needed financial assistance during the past academic year.

### Celebrating Schulich's Research Excellence

The Schulich Annual Fund has been supporting Schulich Research Day for the last six years. On January 26, 2017, Schulich celebrated and showcased the groundbreaking work of Schulich faculty and student researchers.

Thank you for your dedication and continued loyalty to our great school.
