Studying at WBS

As an exchange student, you will have access to modules spanning a broad range of topics and subjects offered at our main campus in Warwick and at our London base in The Shard. You will study with our Full-time, Executive and Distance Learning MBA participants from 120 countries, and WBS alumni also have the opportunity to take some of our MBA modules, meaning you will have immediate access to a diverse network of peers and professions.

Whatever module(s) you choose to take, you will be expected to study for 100 hours per module which is broadly broken down into 30 hours of pre-reading four weeks prior to teaching, 30 hours of class-based activities and 40 hours working on the assessment. The majority of the modules will be assessed by an individual and group assignment. You will be briefed on the assessment for your selected module(s) when you start. As a full member of the class you will be expected to attend all scheduled teaching sessions and actively contribute to all group work and discussions.

All assessed work is marked out of 100% and the pass mark for all MBA modules is 50%. You will be able to download a transcript of your marks from my.wbs – the School's online learning environment – once you have completed your studies. All modules are 10 credits (CATs) which equates to 5 ECTS.

The class size will vary depending on the module you study, ranging from 15 to 60. Depending on your choice of module(s) you may be taught on a Saturday and/or Sunday.

In addition to your chosen modules, you will have the opportunity to attend a range of talks and presentations by guest speakers from business and industry. Details of these will be posted on my.wbs.
