*** Late applications may be considered on case by case basis.**

Course Selection

Language of Instruction:

If taking courses in Spanish we highly recommend students to have a B2 level or at least one year of university-level Spanish with good reading and listening skills. Every semester we offer between 30-40 regular courses in English across all our programs, we highly recommend a TOEFL IBT 92 or IELTS 6.5.

ITAM’s Summer School courses and short courses are taught fully in English.

Spanish Language Courses are offered for credit at different levels every semester. Levels available depend on the number of students registered for the courses.

*** Spanish classes are free of charge for exchange students from partner institutions.**

As of August 2015 a specialized writing course was implemented across the entire institution for all degree seeking students. Exchange students who already speak Spanish are eligible to join this writing and grammar course with regular Mexican students.

Language support is also available through the CARLE, ITAM’s Center for Writing and Language which offers specialized Software for Spanish as a Second Language, Spanish Composition for native speakers, as well as training in other languages.

Enrollment

Full-time Workload: We request that students take a minimum of 4 subjects per semester (or trimester for graduate students).

Graduate trimesters:	33 hours of class equivalent to 4 ITAM credits
Undergraduate:	48 hours of class equivalent to 6 ITAM credits

Course list: An access to the web page course guide is sent to nominated students in their acceptance letters. An access code can be given to the partner institutions upon request.

Requirements/ Restrictions:

- It is recommended that undergraduate candidates should have completed 50% of their university studies.
- Graduate candidates should be studying their second higher education degree and must submit proof that they have completed their first (undergraduate/bachelor) degree.
- Nominees to the MBA programs, or any other graduate management course should have at least one year relevant work experience.
- Students are eligible to take any class across the institution at their level as long as they have the equivalent prerequisites and have not taken the same or equivalent class previously.
- A series of classes in the course guide that begin with EGN are not available to exchange students.
- Undergraduate students may not enroll in graduate programs. But given that ITAM’s undergraduate programs or “Licenciaturas” are strong intensive 4.5 year programs, graduate students are allowed to take upper level classes at the undergraduate level.

Orientation

It is compulsory to attend the orientation session upon arrival. Orientation is one a full day and is generally scheduled before the first day of classes.

Buddy Program

Students are invited to participate in this fun mentoring program where they will be matched with a Mexican student who will help ease their life at ITAM and in Mexico City.

Housing

Housing is not owned or operated by ITAM but the International Office provides assistance by finding off-campus housing options. There are many fully furnished student residences within walking distance from ITAM. Options depend on price range and features desired by the student.

The International Office works with each individual student to find the preferred accommodation but once selected, the student is directly responsible for the lease.

Visa

ITAM will provide letter of acceptance and necessary documentation to obtain a student visa but all prospective exchange students should check with their nearest Mexican consulate about visa requirements. www.sre.gob.mx

IMPORTANT: Student visa holders must register and pay approximately US\$55.00 fee within 30 days upon arrival in Mexico.

STUDENTS FROM SOME COUNTRIES WHO APPLY FOR SHORT PROGRAMS (UNDER 180 DAYS) MAY ENTER THE COUNTRY ON A TOURIST VISA.

Insurance

Students must have an international medical insurance with a coverage of at least \$100,000 USD with a repatriation clause valid in Mexico and a COVID 19 clause. If not proof of insurance is submitted, students will be charged for ITAM’s insurance policy at a cost of around US \$250.00 per semester. www.itam-gnp.com.mx/english
