"I met many amazing people and experienced local life, food and landscapes firsthand during my exchange term at Peking University. I have a far more comprehensive understanding of the business, culture and society in China as a result."

Alizeh Haider, iBBA 2019
exchange at Guanghua School of Management,
Peking University, Winter 2019

ACADEMIC EXCELLENCE:

Established in 1898, Peking University is ranked as one of the **top 5 universities in Asia** by QS and Times Higher Education, and is a prestigious **C9 League** institution.

One Global Experience. Two Degrees.

Immerse yourself in a rich academic legacy and a dynamic global economy, as you grow your cultural acumen and leadership skills.

Set yourself apart with the Future Leaders program in partnership with the Guanghua School of Management. After completing two years of study at the Schulich School of Business, travel to Peking University for years 3 and 4 of your degree program, where you'll study with business students from top universities around the world.

As a member of the Future Leaders program, you'll become part of a diverse and prestigious international cohort. Benefit from specialized courses focused on the Chinese business market, taught by leading experts from Guanghua's world class faculty. In just four years, graduate with both a BBA/iBBA from the Schulich School of Business and a Bachelor of Arts in Management from the Guanghua School of Management.

Explore one of the world's largest economies

Learn about Chinese management and finance while participating in language courses and cultural immersion activities. Grow your skills and your network to prepare for opportunities to work in China, as you connect with business leaders, government officials and instructors.

Benefit from institutional support

Financial support is available for participants, including travel bursaries, a cost of living stipend and complimentary student accommodations, making the Future Leaders program one of the most cost-effective ways to earn an international degree.

Enter the global classroom

Future Leaders brings together a bright and diverse group of students from the world's leading business schools. The program offers an unmatched opportunity to exchange ideas in an immersive learning environment, while gaining a new understanding of the world's fastest growing consumer market.
