- Courses:** In our new programme design electives are "blended" learning and run slightly differently to those in our old design. Students will have access to a study guide provided on Blackboard, our Virtual Learning Environment, several weeks before the workshop and this navigates them through the study materials week by week to prepare them for a 3 day face to face workshop that will take place in Manchester. There are typically two assessments for each elective, with one taking the form of a group assessment at the workshop and another assessment due after the workshop. The blended learning electives are delivered over two or six months.
- Typically, Incoming Exchange students take 4 electives, with a breakdown of 2 x 6 month electives and 2 x 2 month electives.
- Six month elective; July – December 2020**
Electives commence on 1st July 2020.
The workshop period is 1st – 12 September 2020 and an elective will be delivered over 3 consecutive days during this period. We expect students would typically take 2 electives.

Language:

All our electives are taught in English. Our MBA Programme requires a very high standard of English language competence in oral and written communication skills. All students must hold a relevant IELTS/TOEFL report if applicable or have studied in English for the duration of their studies.

Full-time Workload:

Elective courses are 15 credits. Each 15 credit course is weighted at 22.5 hours teaching. Additionally, we estimate approximately 3 hour's self-study time for each hour spent in the classroom. The choice of electives is student-led and the School reserves the right not to run a particular elective if there is insufficient demand. Some electives may also specify maximum numbers. Early registration is recommended, although this does not guarantee a place on the course.

Assessment:

Classes are assessed by various methods, including cases, group work (reports/presentations), and individual work. All courses are graded out of 100%. A minimum score of 50% is required in order to pass at the MBA level. It is mandatory for students to be available and on-campus in Manchester up until the end of the face to face workshop.

Entry Requirements:

- (1) Minimum of three years' work experience after graduation
- (2) Being registered on an MBA Programme at your home school
- (3) Proof of English Language (IETLS or TOEFL) if applicable

Required Documents:

- (1) Completed Alliance MBS Application Form – which includes details of the entry requirements above.
- (2) Copy of your IELTS or TOEFL score (if applicable)**

 Required Documents deadline (Announced via email after 31st May 2020)
 It is recommended that students arrive up to one week prior to classes starting to settle into accommodation.

Visa Requirements: Students attending a course of less than six months should apply for a Student Visitor Visa. Please check if you require a visa on the [UKVI website](#)

Please make sure you meet all entry requirements before applying. We have dedicated professionals who can assist you with Immigration questions and you can contact them at jat@manchester.ac.uk. Students planning on travelling to Europe during their stay in the UK should check the regulations for Schengen Visas **before** travelling to Manchester.

Accommodation: Incoming Exchange students are encouraged to connect with current MBA students to arrange shared accommodation. We would also recommend incoming students consider privately let accommodation. It is often helpful to share with fellow exchange students to keep costs down. The average cost for privately let 2 bedrooms, city centre apartment is £800 (£400 between 2 people) per month plus cost of utility bills. For shorter Exchanges, we do have the [Crown Plaza hotel](#), which is situated just outside our AMBS building.

Academic Expenses: AMBS will purchase the required core text book for each elective. There is no requirement to purchase any additional textbooks.
