NOTE

Users who sign up with LinkedIn will have some information automatically populated for them. If you update your LinkedIn profile, you must re-sync your Online Community profile for the new information to appear.

From the drop down arrow in the upper right hand corner beside your profile picture, select the “Settings” option.

Under the “Account” tab select “RE-SYNC” from the LinkedIn section. You may be prompted to sign in to your LinkedIn account.

The main content area is titled 'Settings' and has three tabs: 'ACCOUNT' (highlighted in green), 'NOTIFICATIONS', and 'PRIVACY'. Under the 'ACCOUNT' tab, there are sections for 'Language' (set to English (UK)), 'Login options' (with an email field containing 'claires@yorku.ca' and a 'SAVE' button), and a section for connecting to a LinkedIn account with 'RE-SYNC' (highlighted in green) and 'DISCONNECT' buttons. At the bottom of the settings page is a 'DELETE ACCOUNT' link. In the top right corner, a user profile picture has a dropdown menu open with 'Settings', 'Edit profile', and 'Sign out' options.
