Dear Alumni, Students and Friends,

We hope you are doing well and keeping safe.

Thank you for supporting our Schulich community by taking time out of your busy schedules to attend the webinar with **Gunit Chadha**, Founder, APAC Financial Services Private Limited, **Nadir Godrej**, Director, Godrej Industries Ltd., **Bahram Vakil**, Founder Partner – AZB & Partners, **V. Raghunathan**, CEO, GMR Varalakshmi Foundation, India and myself, **Theo Peridis**.

This webinar was well attended with more than 400 registrants. From the feedback we have received, “**Shaping the post-pandemic world - Focus on India: The Critical Role of Leaders During and in the Aftermath of the Pandemic**” panel presentation was phenomenal, insightful, thoughtful and informative. The attendees especially appreciated the various perspectives presented. Please, if you have not already done so, share your feedback by filling out this short survey at <https://schulich.yorku.ca/webinar-survey/>

The **recording** of this session can be viewed at the following link

Many of you have asked for a copy of the poem penned by Mr. Godrej. The poem will be uploaded shortly to the microsite at

We certainly appreciated being able to engage with you on such a timely topic and look forward to seeing you at one of our other upcoming sessions with our Schulich faculty.
