“This was definitely one of the highlights of my MBA journey. The opportunity of studying Europe’s business culture by their own people through a very creative and interactive way of learning was amazing and unforgettable. This also gave me an opportunity to network with fellow MBA students from other premier B-schools from all over the globe which will also help tremendously in my career.”

- Ishant Khurana, MBA
  WHU MBA European Summer Program, Vallendar Germany

“I would like to stress that even if you are a domestic or international student, you should definitely consider this experience for your personal and professional growth. This was a great complement to the learning process started at Schulich. Doing an exchange has been one of the best decisions I have made in my life.”

- Elizabeth Castrillon Jimenez, MBA
  Università Bocconi, Milan Italy
