All classes are taught and assessed in English and require a high level of English language proficiency. We expect exchange students to possess a standard of English comprehension (written and verbal) which is comparable to that of our MBA students. Students whose first language is not English, and who have not undertaken tertiary study in English are recommended to take either IELTS or TOEFL test. **While this is not mandatory for acceptance, students and exchange coordinators should give adequate consideration to these recommendations before nominating.**

MBS MBA English requirements

IELTS 7.0 (no single band lower than 6.5) or TOEFL internet based 102 + written score of 24, and no band less than 21. We do not offer language courses.

COURSE DETAILS

Course

Master of Business Administration (MBA) - elective subjects only

Credits

Each subject is worth 12.5 credit points. A full-time course load (4 subjects) equates to 50.0 credit points.

Electives

Subject offerings and timetables will be provided upon nomination by the home university. Average class size is 60 students.

Attendance

With the exception of illness and other extenuating circumstances, exchange students are required to attend all classes.

Workload

A full-time study load is 4 subjects per term. If a student has the explicit permission of their home university, we can consider a reduced study load; however please note that the student visa requires students to be undertaking full-time study within the exchange program. Please provide written advice from your home university when submitting your subject enrolment request for a reduced study load, while ensuring compliance with visa regulations.

Each subject at MBS is 30 contact hours in duration, which may be taught in a range of formats: daytime, evening, weekend, hyper-intensive (e.g. over 5 consecutive days). Scheduling of elective subjects is typically one 3-hour class per week x 10 weeks.

Terms are generally 10 weeks in duration, followed by an examination week. Exchange students will generally be attending classes with Part-time MBA students, who work full-time. Exchange students must be flexible to attend MBS syndicate group meetings, nearly always held on evenings and weekends.

Examinations

Exams are held in the week following the last week of teaching each term and attendance at scheduled exams is compulsory. Students should ensure that they arrange their travel accordingly. Failure to attend an exam will result in a fail for the entire subject. For all subjects, the final exam (or equivalent piece of assessment) is a hurdle requirement, therefore students must pass their exam in order to pass the subject.

Release of Results

Soft copies of academic transcripts will be made available through a secure online service called My eEquals. Students who have completed studying at MBS will have access to My eEquals and their official academic transcript online via a link sent to their University of Melbourne email account. Students can then share an encrypted link via the secure platform for their home institution to gain access.

Grades are a percentage mark of 1 to 100; 50 being the minimum mark required to pass.
