

# YOUR MAcc JOURNEY

The Master of Accounting is a professional degree program designed to develop students' academic and intellectual abilities in all fields of professional accountancy. Successful graduates will have acquired in-depth knowledge in all of the sub-disciplines that constitute the broad field of accounting. Successful completion of the MAcc allows students to sit for the Common Final Examination (CFE) after graduation.

Note: Both core and elective courses are listed. Course requirements and sequencing are subject to change. For specific course credit requirements, visit [www.schulich.yorku.ca/programs/macc](http://www.schulich.yorku.ca/programs/macc).  
 \* DIAC Term 0 is available in Toronto or Hyderabad, India.  
 \*\* Students who are directly admitted to Term 2 can exit before the start of Term 3 and receive a Diploma in Advanced Accounting (DAAc). Graduates of this diploma can continue with CPA Ontario to complete Capstone 1 and 2.  
 \*\*\* Students who complete the MAcc are eligible to write the Common Final Exam (CFE).
