Thriving while surviving- why we need more healthcare coaching support during the COVID-19 crisis. Published April 16<sup>th</sup> 2020. <https://www.linkedin.com/pulse/thriving-while-surviving-why-we-need-more-healthcare-coaching-ogborn/?trackingId=45LTq43SSp7kkyOfDSuKiw%3D%3D>

## **PRESENTATIONS**

### **Invited Presentations and Lectures (Selected)**

#### **International**

1. Leading in Public Health and Health Systems: Navigating Crisis and Change. Keynote Speaker. 3rd International Conference on Public Health and Well Being 2021. Sri Lanka. 3rd December
2. Engaging Students Virtually. Preparing Educators to Work with All Special Needs Populations in Continuing Teacher Education, Purdue University, West Lafayette, Indiana. April 15<sup>th</sup> and 16<sup>th</sup> 2021
3. Leadership during a Pandemic. American College of Healthcare Executives South Florida Chapter, December 2020
4. Managing your energy: A guide for addressing burnout. St Elizabeth Boardman Hospital. Boardman, OH. October 15, 2017
5. Essential skills for clinical faculty. Center for Seniors' Health, Summa Health, Akron, OH. July 5, 2017
6. Health care leadership: Opportunities. Health Leadership Academy, McMaster University, Hamilton, ON. April 25, 2017
7. Introduction to global health. Global Health Interest Group, Northeast Ohio Medical University, Rootstown, OH. May 19, 2016
8. Scholarship in Medical Education: Turning Educational Programs into Scholarly Activities. Internal Medicine Residency, St. Elizabeth Boardman Hospital, Youngstown, OH. September 29, 2015
9. Health Services Research methods. Family Medicine Residency, St. Elizabeth Boardman Hospital, Youngstown, OH. July 29, 2015
10. Situational Teaching: An approach for learner-centered education. Mount Carmel Health System, Columbus, OH. April 5, 2014
11. Giving and receiving feedback. Canton Community Clinic, Canton, OH. February 19. 2014
12. Critical issues in global health. Presented at Global Health Interest Group, Northeast Ohio Medical University, Rootstown, OH. September 15, 2013
13. Innovation execution. Presented at the Saudi Critical Care Society, Riyadh, Saudi Arabia. September 23, 2012

14. Ethical dilemmas of global health research. Rewely House, University of Oxford, Oxford, UK. May 22, 2012
15. Leadership Behaviours: How our Personality Styles can Inform our Leadership Approaches. Saudi Critical Care Society, Riyadh, Saudi Arabia. April 2, 2012
16. Evaluating Global CME programs. University of Sheffield, Sheffield, UK. February 10, 2011
17. Strengthening Health Systems: What we can learn from Canadian Experience. Ministry of Health, Wuhan, China. August 12, 2010
18. How evidence-based medicine supports decision making challenges. the World Health Care Congress, 2nd Annual Leadership Summit on Evidence-based Medicine, Washington, DC. March 23, 2009
19. Evaluating Effectiveness of Complex Innovations. Department of Continuing Education, University of Oxford, Oxford, UK. March, 2008
20. Accreditation systems: Governmental versus professional systems harmonization? Presented at the 12th Meeting of the Global Alliance for Medical Education, June, New York, NY. April 2007
21. Evaluation framework for measuring impact of continuing medical education. Presented at the European Federation of Neurology, September, Athens, Greece. September 2006
22. Evidence, Dissemination and Globalization of CME. Presented at the World Federation of Neurology, December, London, UK. December 2005

## **Canada**

23. Krembil Centre Leadership Summit- Workplace Culture, Talent, and Leadership in the COVID Era. Schulich School of Business. March 22<sup>nd</sup> 2022.
24. Beyond performance reviews: Creating a thriving work culture. SickKids CCMH Learning Institute. June 3<sup>rd</sup> 2022.
25. Managing Burnout and Promoting Wellness in the Health Care Workforce, IHPME Moonshot 2021, December 7, 2021.
26. Exploring Interventions to Address Burnout and Depression among Nurses During Covid and Beyond. Nurses' Burnout Canada, November 9, 2021
27. Moral Distress in Health Care: What COVID-19 Pandemic has taught Us. Sinai Bioethics Grand Rounds, November 12<sup>th</sup>, 2021
28. Interventions to Address Burnout and Depression Among Nurses During COVID-19 and beyond. Nurses' Burnout Canada Conference, November 9<sup>th</sup>, 2021
29. Stress, burnout and depression in women in health care during COVID-19 Pandemic. "Exploring Unapparent Ethical Implications of COVID-19" Seminar Series . University of Toronto Philosophy Course Union (PCU), January 21<sup>st</sup>, 2021
30. The gendered impact of COVID-19 : A Canada-Wide Discussion. UN Women, McGill Student for UN Women, Champions of Change Clubs. March 7<sup>th</sup>, 2021.
31. Building cooperation for continuing health education in Canada. Fall Summit Canadian Association for Continuing Health Education, Toronto, ON. October, 2008
32. Canadian hospital reform and governance. Chinese National Development Reform Commission (NDRC), Toronto, Canada. March 3, 2012

33. The black box of global health partnerships. Wilson Centre, University of Toronto, Toronto, OH. June 29, 2015
34. We are from Earth, they are from Jupiter: Understanding today's learners. Department of Otolaryngology—Head and Neck Surgery, University of Toronto, Toronto, ON. April 1, 2016
35. COVID-19 Pandemic and Female Health Workers, Health Canada, The First Responders Mental Health Subcommittee of the Federal Interdepartmental Committee on Mental Health, September 2020
36. Women in Otolaryngology, Department of Otolaryngology, Faculty of Medicine, University of Toronto, May 2020
37. EI in the AI world. Best Practices in Education Rounds, Centre for Faculty Development, Unity Health, November. 2019
38. Health Systems Innovation. Faculty of Medicine, University of Toronto, October. 2019
39. CIHR
40. The Gendered Impact of COVID-19: A Canada-Wide Discussion, UN Women University of Toronto Chapter, Toronto, ON, Online, Sunday March 7<sup>th</sup>
41. Exploring Unapparent Ethical Implications of COVID-19, PCU Bioethics Lecture Series: University of Toronto, January 2021
