Founder of a successful consumer electronics e-commerce business generating \$1.3M in revenue for FY2022. Also, an instructor at the University of Toronto and co-authored research papers on blockchain applications in the insurance.

**Brennan Rashkovan, CPA (GDIA '18, MAcc '18)**  
Manager, EY Private

Brennan Rashkovan joined Ernst & Young in 2018. Currently, he is a Manager in EY Private, and works in the Enterprise Group. He is responsible for oversight and team management on files. Day to day, Brennan communicates with clients, develops financial strategies for businesses and individuals, as well as monitors progress on files. He oversees work performed by Junior and Senior accountants. Since 2018, Brennan has been a part of the Assurance group, as part of EY Private. After working on private company audits for 3 years, he wanted a more holistic opportunity, and moved into the Enterprise Group in 2021, which has allowed him to gain knowledge in many more aspects of business, accounting, and tax.

Prior to pursuing a career in accounting, Brennan obtained a Bachelor of Science with a Major in Medical Biophysics from Western University. He then obtained a Diploma in Intermediate Accounting and a Master of Accounting from Schulich University. Brennan also holds the CPA designation.
