

WHU Career Center

The WHU Career Center is the point of contact between companies, students and Alumni. For our students we offer a package of career activities and services to support them in their occupational orientation and in their concrete search for internships and jobs.

All of the following offerings are also open for interested exchange students:

We invite exchange students who are interested in looking for an internship or job while staying at WHU to take a proactive approach to their search. We are happy to support our exchange students by offering the above mentioned opportunities for networking, learning about application processes in Germany and finding job and internship offers in our database.
