## ADDITIONAL INFORMATION

### WEATHER

The city of São Paulo is home to a subtropical climate which is typical of Brazil. Influenced by its coastal setting alongside the Atlantic Ocean, it offers a sunny weather through the year but is prone to quick temperature changes; one single day may be warm and cold. In April, the average temperature is 22°C. In July the temperature is around 10°C which is considered cold to Brazilians. In December the temperature is 38°C hot and humid.

### CURRENCY EXCHANGE

Currency fluctuations are frequent.

Exchange rate has been around US\$1 = R\$4,87\* and EU\$1 = R\$5,31\*.

Please check updated rates before leaving your country.

<https://www.bcb.gov.br/en/currencyconversion>

The Brazilian currency is the *real* (BRL).

\*Both conversions are from August 30<sup>th</sup> 2023.

### ELECTRICITY

Since 2012, Brazil has adopted a new electrical outlet type. In order to avoid problems for recharging your electronic devices, please bring an adaptor or buy one as you arrive.
