Bintu Alkassoum (She/Her), MMAI ’22
AI Adoption Manager, BASF
Background: BA, Sociology
York U 2024 Top 30 Under 30
The Centre for Career Design works to ensure your recruitment goals are met, and helps you improve your recruitment return on investment.

**MBA**

Master of Business Administration

Graduates of the MBA program aspire to become leaders in financial services, consulting and consumer packaged goods, entrepreneurs, and agents of change in the social, arts, and health sectors.

**MASTERS**

One-Year Specialized Programs

Our Masters programs are designed to strengthen technical expertise and enhance leadership skills. Depending on the program, years of prior work experience range, on average, from 0–5.

**BBA**

Bachelor of Business Administration

BBA graduates are well-rounded, possessing a solid foundation in all aspects of general management, excellent interpersonal skills, and unparalleled cross-cultural awareness.
I am delighted to introduce you to the vibrant community of over 3,000 talented students who call the Schulich School of Business their academic home. Across a broad spectrum of undergraduate, specialized masters, and MBA programs, our students are diverse, bringing together unique perspectives and professional ambitions from every corner of the globe. What unites them is their shared commitment to emerge as purpose-driven leaders who aspire to make a positive difference in society and business.

Here at the Centre for Career Design, we champion the individuality of our students, encouraging them to embrace their distinctiveness as they pursue careers that resonate with their professional goals and personal values. Guided by a Design Thinking methodology and supported by the NACE Competencies for a Career Ready Workforce framework, we empower our students to navigate their career journeys with confidence and resilience, setting the stage for lifelong success.

Year-round, our Corporate Relations team forges strategic partnerships with employers like you, co-creating recruitment strategies that authentically showcase your organization and employment opportunities to our diverse student body. Whether you seek to fill traditional internships or full-time roles or are interested in engaging Schulich students for project-based collaborations through our experiential education initiatives, the Centre for Career Design stands ready to understand your objectives and collaborate with you to achieve success.

Hollis Sinker (She/Her), MBA
Executive Director, Centre for Career Design

Connecting with Our Students

Handshake
All job postings and recruitment events are advertised on Schulich’s career services website, Handshake. Handshake is a fast, easy, and powerful recruiting platform for finding Schulich students and alumni. You will be able to post New Grad, Internship, Summer, Experienced Hires and Part-time opportunities to Schulich students and alumni, at no cost.

Networking Mixers
Join companies from similar industries for themed events. Whether it’s Day on Bay, the Real Estate & Infrastructure Breakfast or additional mixers, these group events are an excellent way to connect with students who have a strong interest in your industry.

Clubs and Student Organizations
With a wealth of student-led clubs and organizations that are both industry and diversity-group focused, we can help get your organization and opportunities in front of a critical mass of highly engaged student leaders.

Build Your Brand on Campus

Information Sessions
Virtual or in person, we can help you host an engaging event to introduce students to all aspects of your organization.

Industry Panels & Workshops
Highlight trends and exciting opportunities within your firm via participation in a Schulich led lively panel discussion with your industry peers. If you already offer professional development workshops as part of your campus recruitment strategy, ask us how we can help further promote your industry led (non-recruitment) workshops amongst the Schulich population.

Career Fairs & Customized Events
Whether it’s a career fair, case competition, fireside chat between a senior leader at your firm and a Schulich faculty member, or specialized programming for a niche audience, we are keen to co-create high-impact events at any point throughout the year.
Schulich’s Professional Development and Experiential Education Office is charged with building experiential education capacity across Schulich to ensure our students have every opportunity to put theoretical concepts into practice throughout their degree.

The Office is responsible for building and enhancing experiential education and outreach support for students and faculty, including credit-based placements, credit-based team consulting projects, both locally and internationally, and oversees the design and delivery of Professional Development courses offered as part of the curriculum across all of Schulich’s programs.

Work-Focused Experiential Education (credit-based)*
- Course-based placements
- Program-based placements
- Internships/Co-ops

Community-Focused Experiential Education (credit-based)*
- Program team-based consulting projects
- Community service learning
- Community-based research

We offer many Experiential Education options for MBA and BBA students, such as:
- Strategy Field Study Project: MGMT 6100 6.0;
- Strategy Field Study Project – Global Immersive Option: MGMT 6100 6.0 (alternate option to Strategy Field Study); and
- MBA Graduate Placement: MGMT 6851 3.0, MGMT 6850 3.0

You can see all our Experiential Education offerings at: schulich.yorku.ca/ExperientialOpportunities

*See pages 10-11 for examples of work- and community-focused experiential education as well as credit-based Professional Development courses within Schulich programs.

Get in touch to discuss how your organization can become involved with Experiential Education at Schulich.

Minerva Cernea (She/Her)
Associate Director, Head of the Professional Development and Experiential Education Office
What Our Employers Are Saying

Our Corporate Relations team forges strategic partnerships with employers, co-creating recruitment strategies that authentically showcase their organization and employment opportunities to our diverse student body. Here's what they have to say:

“York University’s Schulich School of Business continues to be an important partner to RSM Canada. We are impressed with the calibre of professionalism, passion, and resourcefulness of the Centre for Career Design team and we continue to view them as an exemplar of how schools can elevate and encourage partnerships between students and external stakeholders. We’re looking forward to continued collaboration with the Schulich students and the CCD team.”

Daniel Booth  
Canada’s Campus Recruiting Leader  
RSM Canada LLP

“At L’Oréal, we had the pleasure of recruiting students from Schulich every year, and we have consistently been impressed with their strength and diversity.

Working with the CCD team at Schulich has been a seamless and enjoyable experience. The team is highly responsive, professional and proactive. They understand our needs and provide us with creative opportunities to engage with students, whether through career fairs, networking events, or tailored events.”

Jérémy Choquette  
Senior Talent Acquisition Business Partner  
L’Oréal Canada
A Culture of Entrepreneurship

Fostering the spirit of innovation and inspiring an entrepreneurial mindset in our students is a significant part of our identity – a mission led by the Schulich Office of Innovation and Entrepreneurship, and our Entrepreneurial Studies Department.

The Office of Innovation and Entrepreneurship hosts 30+ events each year that provide opportunities for interested students to meet, ask questions, and learn from Startup Founders, Venture Capitalists, and other Leaders in the innovation ecosystem. The Office offers students access to startup advisory services through the Schulich Entrepreneur in Residence, as well as opportunities to contribute their ideas and solutions to exciting new startups through Schulich Idea Jams.

The Entrepreneurial Studies Department provides students exposure to Work Integrated Learning courses, allowing students to gain experience in the innovation ecosystem. The Mentorship Match Course (ENTR 6960) pairs 40 MBA students in their 2nd year of study with Startup Founders and Venture Capital Leaders for a 12-week credit course that provides work experience and mentorship. Similar opportunities are provided to BBA and Master of Marketing students each year.

MBA and MBA In India Students also have the opportunity to participate in ENTR 6500: Startup Lab – The Together Mission (a special partnership with Startup India).

“Entrepreneurial spirit is a way of being, breathing and moving through the world. It’s how we see problems and opportunities that other people miss. Understanding that spirit, infusing it in our students and helping them bring their ideas to life is something I could never grow tired of.”

Chris Carder (He/Him)
Executive Director, Office of Innovation & Entrepreneurship; Co-Director of Entrepreneurial Studies; Creator of the ‘Schulich Startups’ Community

Diversity is a Core Value of Schulich

The Schulich School of Business manifests a culture of acknowledging diversity and is committed to equity principles and inclusion practices. Our students are diverse, bringing together unique perspectives and professional ambitions from every corner of the globe.

Cultural Diversity

Between international students and recent permanent residents of Canada, Schulich boasts unparalleled cultural diversity amongst its student body, and provides support for employers, if needed, to understand immigration regulations associated with hiring students for internships or full-time roles.

65 unique countries of citizenship within the student population

Student Clubs

Schulich has over 40 student clubs, including the following affinity groups:

- Black Graduate Business Network
- Black Student Association
- Latin American Business Association
- Schulich East Asian Business Association
- Schulich Pride Alliance
- Women in Leadership

“...the diversity of thought and lived experiences amongst the Schulich student body is absolutely something that employers should look forward to when recruiting at Schulich.”

Gurlove Takshak (He/Him), BBA '22
Modern Work Copilot Technical Specialist, Microsoft

Varied Educational and Employment Histories

It is not uncommon to find students with unique educational and employment backgrounds within our walls, with:

9 specialized one-year Masters Degrees
19 areas of specialization in our MBA program
Graduates of the MBA program aspire to become leaders in financial services, consulting and consumer packaged goods, entrepreneurs, and agents of change in the social, arts, and health sectors.
