

STUDY ABROAD APPLICATION QUESTION

Please upload your response to the following question with your online study abroad application for the program(s) to which you are applying. The final word count should be no more than 750 words in total.

Question:

Describe why you wish to study abroad and how the school(s) you have chosen align with your academic, professional and personal goals?

(If more than one school listed, focus on your first choice)

Other than what is on your resume and in your response to the application question above, is there anything else you would like the Study Abroad Selection Committee to consider?
