Health Insurance

Please enroll in a health insurance plan of your choice, as there is no designated insurance service provider but it is recommended that you choose a study abroad plan which will cover medical expenses to be incurred during your exchange in Korea. Mandatory insurance plans provided at your home institution will be sufficient, but proof (an official letter) must be provided. The proof of health insurance should include the name of the insured, period, and place of coverage.

Student will have to pay the full fee up front, and then apply to his/her home insurance company for some form of reimbursement.
