Bridging Education and Employability

I am delighted to introduce you to the vibrant community of over 3,000 talented students who call the Schulich School of Business home. Across a broad spectrum of undergraduate, specialized masters, and MBA programs, our students are diverse, bringing together unique perspectives and professional ambitions from every corner of the globe. What unites them is their shared commitment to emerge as purpose-driven leaders who aspire to make a positive difference in society and business.

At the Centre for Career Design, we champion the individuality of our students, encouraging them to embrace their distinctiveness as they pursue careers that align with their professional and personal goals. Guided by a Design Thinking methodology and supported by the NACE Competencies for a Career Ready Workforce framework, we empower our students to navigate their career journeys with confidence and resilience, setting the stage for lifelong success.

Guided by our core values of integrity, service, expertise, empathy, and enthusiasm, our Corporate Relations team collaborates with employers to meet their hiring needs. Whether you're seeking to fill traditional internships or full-time roles or are interested in engaging Schulich students for project-based collaborations through our experiential education initiatives, the Centre for Career Design stands ready to understand your objectives and collaborate with you to achieve success.

Connecting with Our Students

Handshake

All job postings and recruitment events are advertised on Schulich's career services website, Handshake. Handshake is a fast, easy, and powerful recruiting platform for finding Schulich students and alumni. You will be able to post New Grad, Internship, Summer, Experienced Hires and Part-time opportunities to Schulich students and alumni, at no cost.

Customized Engagements

From information booths and case competitions to networking mixers, site visits, talent showcases, and fireside chats with senior leaders from your firm, we collaborate with employers to design high-impact, customized engagement opportunities year-round. Let's work together to create meaningful connections between your organization and our students.

Clubs and Student Organizations

With a wealth of student-led clubs and organizations that are both industry and diversity-group focused, we can help get your organization and opportunities in front of a critical mass of highly engaged student leaders.

Build Your Brand on Campus

Information Sessions

Virtual or in person, we can help you host an engaging event to introduce students to all aspects of your organization.

Industry Panels & Workshops

Highlight trends and exciting opportunities within your firm via participation in a Schulich led lively panel discussion with your industry peers. If you already offer professional development workshops as part of your campus recruitment strategy, ask us how we can help further promote your industry led (non-recruitment) workshops amongst the Schulich population.

Career Fairs

Connect with top talent at our themed recruitment events, designed for companies with specific hiring needs or industry focus. As some of the most anticipated events on our calendar, these high-profile career fairs offer a prime opportunity to feature your brand on campus and to engage with students who are eager to explore careers within your organization.

Career Advising & Design

At the Centre for Career Design, we empower students to develop and articulate the cognitive and interpersonal skills most valued by today's employers – skills that transcend industries and roles. We help students contextualize and communicate what they're learning in the classroom through the lens of employability.

Our approach is rooted in the **NACE Competencies for a Career-Ready Workforce** framework, a series of eight demonstrable competencies that help ensure success in the workplace:

Career &
Self-Development

Communication

Critical Thinking

Equity & Inclusion

Leadership

Professionalism

Teamwork

Technology

Our advising model integrates the key tenets of Design Thinking

We teach students how to research, ideate, prototype, and test, equipping them with the mindset to adapt to a dynamic world and design meaningful careers aligned with their values and aspirations.

Career Advising & Design services available:

- One-to-one appointments
- Interactive career foundations workshops
- Industry insights and networking events
- Job postings and recruitment events
- Digital and AI tools and resources

What Our Employers Are Saying

Our Corporate Relations team forges strategic partnerships with employers, co-creating recruitment strategies that authentically showcase their organization and employment opportunities to our diverse student body. Here's what they have to say:

"At KPMG, we have a deep appreciation for Schulich students. As a firm, we are committed to supporting the next generation of professionals through various awards, scholarships, and collaborative events. Each year we are honoured to host multiple Schulich student club events and conferences – which are remarkable successes. These events allow us to bring together hundreds of companies, employers, and students. Over the years, Schulich graduates have consistently thrived at KPMG, and we look forward to welcoming even more exceptional talent in the years to come."

Jaanam Desai, CPA
GTA Campus Manager, KPMG Canada

"Since 2022, we have proudly partnered with the Schulich School of Business, welcoming over 35 Schulich students as interns in our office. While they may have seen it as an opportunity to gain industry experience, for us, it was like discovering a gold mine of talent. Through this partnership, we not only shared our insights but also learned from the fresh perspectives and innovative thinking of Schulich students. It has been an invaluable exchange – one that continues to enrich our organization in ways we never anticipated."

Kambiz Vatan-Abadi
Chief Innovation Officer, CI Financial and
President, CI Direct Investing

Experiential Education

Schulich's Professional Development and Experiential Education Office is charged with building experiential education capacity across Schulich to ensure our students have every opportunity to put theoretical concepts into practice throughout their degree.

The Office is responsible for building and enhancing experiential education and outreach support for students and faculty, including credit-based placements, credit-based team consulting projects, both locally and internationally, and oversees the design and delivery of Professional Development (PD) courses offered as part of the curriculum across all Schulich's programs. Schulich offers the following PD credit-based courses: MGMT 6350 (MBA), MGMT 5190 & 5290 (Tech BA, Master of Marketing, Master of Management).

Work-Focused Experiential Education (credit-based)*

- Course-based placements
- Program-based placements
- Internships/Co-ops

Community-Focused Experiential Education (credit-based)*

- Program team-based consulting projects
- Community service learning
- Community-based research

We offer many Experiential Education options for MBA and BBA students, such as:

- **Strategy Field Study Project:**
MGMT 6100 6.0;
- **Strategy Field Study Project – Global Immersive Option:**
MGMT 6100 6.0 (alternate option to Strategy Field Study); and
- **MBA Graduate Placement:**
MGMT 6851 3.0, MGMT 6850 3.0

You can see all our Experiential Education offerings at:

[schulich.yorku.ca/
ExperientialOpportunities](https://schulich.yorku.ca/ExperientialOpportunities)

* See pages 10-11 for examples of work- and community-focused experiential education as well as credit-based Professional Development courses within Schulich programs.

"The PD course not only refined my resume and networking skills but also offered invaluable 1-on-1 mentorship and connections with industry professionals, from interview preparation to practical insights, shaping my approach to career growth and securing a role as a Martech Consultant at Deloitte Omnia. The course opened doors I never imagined, connecting me with leaders in the tech industry."

Tharaniya Shanmugathan (Tech MBA Student)

A Culture of Entrepreneurship

Fostering the spirit of innovation and inspiring an entrepreneurial mindset in our students is a significant part of our identity – a mission led by the Schulich Office of Innovation and Entrepreneurship, and our Entrepreneurial Studies Department.

The Office of Innovation and Entrepreneurship hosts 30+ events each year that provide opportunities for interested students to meet, ask questions, and learn from Startup Founders, Venture Capitalists, and other Leaders in the innovation ecosystem. The Office offers students access to startup advisory services through the Schulich Entrepreneur in Residence, as well as opportunities to contribute their ideas and solutions to exciting new startups through Schulich Idea Jams.

The Entrepreneurial Studies Department provides students exposure to Work Integrated Learning courses, allowing students to gain experience in the innovation ecosystem. The Mentorship Match Course (ENTR 6960) pairs 40 MBA students in their 2nd year of study with Startup Founders and Venture Capital Leaders for a 12-week credit course that provides work experience and mentorship. Similar opportunities are provided to BBA and Master of Marketing students each year.

MBA and MBA In India Students also have the opportunity to participate in ENTR 6500: Startup Lab – The Together Mission (a special partnership with Startup India).

“Entrepreneurial spirit is a way of being, breathing and moving through the world. It’s how we see problems and opportunities that other people miss. Understanding that spirit, infusing it in our students and helping them bring their ideas to life is something I could never grow tired of.”

Chris Carder
(He/Him)

Executive Director, Office of Innovation & Entrepreneurship;
Co-Director of Entrepreneurial Studies; Creator of the ‘Schulich Startups’ Community

Technology Leadership (Tech MBA)

"I chose the Schulich MBA because it came with a different spin than a traditional MBA program. There was still that emphasis on what it looked like to come out as a strong business leader, but also the focus on that triple bottom line. It didn't hurt that it was the best MBA program at the time."

Azra Samji (She/Her), MBA '21
Manager, Inclusion, Diversity, Equity & Action
