York Continuing Scholarships

To be considered for all other York Continuing Scholarships, students must complete a Student Financial Profile by visiting the Student Financial Services website at **students.yorku.ca/sfs/awards-and-scholarships**. Please note that international students are not eligible for most continuing scholarships. Visit **yorkinternational.yorku.ca** for more information on international scholarships and bursaries. Questions regarding financial aid can be directed to **finaid@schulich.yorku.ca**.

Undergraduate Residence Life Bursaries

This award is intended to encourage active participation in residence life. Both new and continuing students are eligible to apply. Generally, applications become available late October and bursaries are awarded in December. Applications will be distributed through House Dons once they become available. Applicants must be Canadian citizens/permanent residents who demonstrate financial need and are living in one of the undergraduate residences: Bethune, Calumet, Founders, McLaughlin, Stong, Vanier, Winters.

For details, visit **yorku.ca/stongrez/awards/rezlife.html**.

VALUE: Varies

Work/Study Program

The Work/Study Program at York University provides eligible undergraduate students (domestic and international) with the opportunity to develop professional skills and contribute to the university through paid, on-campus employment opportunities. These on campus work experiences will enrich and complement your classroom experiences. In addition, you will be given the support and tools needed to develop proficiency in core competencies that will contribute to your long term personal and professional success and develop your capacity to lead. The General Work/Study program provides student employees with a broad range of opportunities to contribute in support roles while developing valuable, relevant skills and work experience for the work place. These roles offer a learning and development opportunity for Work Study employees to receive experiential on-the-job training, guidance and mentorship. Under the guidance of permanent staff members, Work Study employees will provide support to their relevant department/faculty in clerical, administrative and technical capacities. Details are available online at:

sfs.yorku.ca/work-study-programs

Research at York (RAY)

The Research at York (RAY) program was created to enhance both the research culture of the University and the undergraduate student academic experience. Through the RAY program, eligible undergraduate students will have the opportunity to participate in research projects with faculty members and/or fellow students, while receiving compensation at a competitive rate. Students who are awarded a RAY position cannot hold another RAY, Work/Study, CLAY or YES position concurrently. Details are available online at: sfs.yorku.ca/work-study-programs.

Leadership, Engagement and Ambassadorship Program (LEAP)

LEAP positions focus on engaging undergraduate students in roles within the faculties, colleges, programs, or the university at large, that enhance the overall student experience at York university. LEAP roles allow students to develop skills such as leadership, peer mentoring, and peer support within the University setting and are less clerical in nature than the typical Work/Study position (e.g. less than 20% clerical). Examples of positions include: YU Start Leader, Student Recruitment Ambassadors and Peer Educators/Mentors. Details are available online at:

sfs.yorku.ca/work-study-programs

Student Loan Programs

Students may be eligible for government student loan funding through the Ontario Student Assistance Program.

OSAP AT A GLANCE

Financial aid is available to students in the form of Canada and Ontario Student Loans, through the Ontario Student Assistance Program (OSAP).

OSAP is designed to relieve the financial burden of pursuing higher education through a combination of repayable loans and grants. It is a need-based loan program.

Loans are payment-free and interest-free as long as you are enrolled as a full-time student for every term of assessment. At York University, to be considered a full-time student, students must be enrolled in at least 9.00 credits per term; credits cannot be averaged out over the year.

Changes in circumstances throughout the school year can affect OSAP entitlement for the year. Depending on the change, awards may increase or decrease. Changes to course load, income or residence can all affect entitlement. To ensure that any change in entitlement is not detrimental to post-secondary studies, students should consult with a representative from Student Financial Services.

Eligibility

OSAP is open to Ontario residents who are a:

- Canadian citizen
- permanent resident or
- protected person

Please see the government website (ontario.ca/osap) for a detailed breakdown of factors considered when determining your eligibility.

Maximum OSAP Assistance

For OSAP maximums, please consult the OSAP website. Please note that OSAP maximum loan amounts do not cover the full cost of tuition at the Schulich School of Business.

Out-of-Province Students

For information regarding other provincial student loan programs, please consult the website of your provincial student assistance office.

Out-of-province student assistance information and website links are available at sfs.yorku.ca/aid/outofprovince.

* For more information on housing on campus, please visit yorku.ca/housing. On-campus housing is available on a first come, first served basis. Students who are seeking accommodation on campus are strongly encouraged to submit their housing application after accepting their offer of admission.

** Participation in the University Health Insurance Plan (UHIP) is mandatory for international students while in Toronto. For details, visit yorkinternational.yorku.ca/uhip.

Funding Your Studies

Learn more about sources of funding at: schulich.yorku.ca/financialaid
and on York University's future students webpage at: go.yorku.ca/scholarships.

HOW TO FUND YOUR STUDIES

1. Keep your grades up

Access Schulich and York's top scholarships and entrance scholarships by keeping up your average.

2. Apply for entrance scholarships & awards

The Online Scholarships, Awards & Bursaries Application is open from December 1 to April 1 and is available through MyFile at go.yorku.ca/myfile. Your York reference number (provided when you applied for admission) is required to complete the online form. Apply early — you don't need to wait for an offer of admission.

3. Apply for OSAP

95% of students who are Ontario residents and apply for OSAP receive loan and/or grant funding. The application opens in November each year. Complete the application and submit all necessary documents by June 30 to have funds for September studies. osap.gov.on.ca

4. Apply for in-course scholarships & awards

Once you are enrolled in classes, you can apply for in-course awards for each academic session. A single application, called the Financial Aid, Awards and Scholarships application (FAAS App) is used for scholarships, bursaries and on-campus employment programs. You should complete the FAAS App to be considered for a variety of programs and funding.

<https://students.yorku.ca/sfs/awards-and-scholarships>

5. Explore on-campus job opportunities

Many York students work on-campus to earn extra money, gain valuable experience and contribute to University life. Work in student services offices at a work/study position and gain technical experience and knowledge to help you prepare for your career.

Investing in the Next Generation of Responsible Business Leaders

Help create a new generation of leaders at the Schulich School of Business by supporting scholarships, awards and bursaries for current and future students.

INVEST IN BUSINESS LEADERS OF TOMORROW

Pursuing a business degree isn't easy. Students have to manage program fees, living costs, family demands, and, in some instances, international travel expenses. An offer of financial support can prove to be the deciding factor both for talented students continuing their post-secondary studies and working professionals returning to school to upgrade their skills.

Attracting the best students and supporting them throughout their studies is a top priority of the Schulich School of Business and key to our ability to maintain a competitive student experience. Some of our awards are among the highest value offered to graduate business students in Canada.

By establishing new scholarships/bursaries/awards, you are investing in the responsible business leaders of tomorrow, who will undoubtedly go on to make significant and meaningful contributions to the global society for years to come. Help us ensure that a lack of financial resources is never a barrier to current and future Schulich students.

Gifts to benefit Student Success at Schulich will help establish new, high value entrance scholarships, awards and bursaries for students.

Endowed or term-funded awards will recognize the academic merit of students applying to attend Schulich from other countries or areas of Canada, while also aiding those who, otherwise, would not have the means to attend Schulich.

Excellence

Talent

Recognition

“Gifts to the Schulich School of Business in the form of scholarships, awards and bursaries have a major impact on the achievements of our students. The financial support provided by donors and alumni allows the School to attract the very best students while also reducing barriers to access for students in financial need.”

DETLEV ZWICK, PHD

Dean & Tanna H. Schulich Chair in Digital Marketing Strategy

At the Schulich School of Business, we have a number of different categories of awards and funding options, which include:

AWARD TYPES

Scholarship

Scholarships recognize exceptional talent/promise or academic excellence in a program or specialization at Schulich, like finance or entrepreneurial studies. In some cases, scholarships may also include non-academic criteria (i.e., leadership, volunteerism). All scholarships appear on a student's transcript.

Award

Awards combine academic and/or non-academic criteria (i.e., leadership, volunteerism) and/or financial need. Awards appear on a student's transcript.

Bursary

Bursaries are designed to assist students who have financial need. Recipients must be in good academic standing. Bursaries do not appear on the student's transcript.

SUPPORT OPTIONS

Creating an Endowment

An endowed scholarship/bursary/award is a powerful opportunity for a Schulich donor to generate a lasting, long-term impact for future generations of Schulich students. With your generous gift, an endowment fund is permanently established at York University and is responsibly invested, in perpetuity. Each year, a portion of the interest income earned on your endowment gift is distributed to the student recipient(s) of your scholarship/bursary/award. As you can imagine, over time your endowed fund will build its financial strength and deepen its impact. At the Schulich School of Business, gifts of \$50,000 or more are eligible for endowment.

Annually Funded

As an alternative to establishing a permanent endowment, some donors consider providing crucial financial aid funding to Schulich students on an annual basis. Donors can establish new annual scholarships/bursaries/awards by pledging support for a minimum of three years. At the Schulich School of Business, annual support of \$5,000 or more will allow for the creation of a new scholarship/bursary/award.

YOU CAN SUPPORT SCHULICH'S FINANCIAL AID PROGRAM IN MANY WAYS

To find out more about creating your own student award or making a gift to one of our existing scholarships or bursaries, please contact: Office of Advancement and Alumni Engagement, Schulich School of Business at (416) 650-8050 or advancement@schulich.yorku.ca.
