BBA Delayed Entry Information Package Fall 2027

Admission Requirements

To be considered for admission, **applicants must complete:**

- **30.00 credits at York University** (as specified on page 2 of this document) with an **overall average of A- or 7.5/9 GPA** on the York Scale. The maximum transfer credit awarded is 30.00 credits and students cannot be admitted to Schulich at any level higher than Year 2. If a prerequisite course is full, the applicant must contact the department that is offering the course for permission to enroll. Schulich is not involved in prerequisite course enrollment and will not intervene or contact the department on your behalf. The onus is on the applicant to ensure that they enroll in the proper courses. Courses must be taken in either the Fall or Winter semester. Summer 2027 semester courses will not be considered. If an applicant is missing any of the required prerequisite courses, they will not be considered for admission. For detailed information, please refer to the York University Courses website at w2prod.sis.yorku.ca/Apps/WebObjects/cdm. York applicants who have additional years of post-secondary education (e.g. college/university) and are seeking advanced standing beyond first year of university, may wish to investigate other York undergraduate degrees that may offer additional transfer credits and/or consider Schulich's Masters programs as a future option.

- **Delayed Entry Application Form.** The deadline to email your delayed entry application form (see page 3) to admissions@schulich.yorku.ca is **March 3, 2027.** Once the admissions office receives your email, you will be sent an invitation to complete the Supplementary Application. This invitation email may take up to 3 business days to be sent to you, so it's important to submit your delayed entry application as early as possible.

- **Supplementary Application.** You must first submit your delayed entry application in order to receive the invitation link to the supplementary application. The supplementary application, which will be available on **November 1, 2026,** can be accessed at schulich.yorku.ca/suppapp and must be submitted online by **March 10, 2027.**

*Please note that admission to this program is extremely competitive as spaces are limited, **meeting the minimum requirements does not guarantee an offer of admission**, and late applications will NOT be accepted.

How to Apply

Current York University students who meet the requirements as outlined above must email the BBA delayed entry application form by **March 3, 2027** to admissions@schulich.yorku.ca. The email must include "BBA Delayed Entry Application Form" in the subject line. **Late applications will not be accepted.**

After you email your form to the admissions office, you will be sent an invitation to complete the supplementary application. **This email may take up to 3 business days to be sent to you. The supplementary application must be completed by March 10, 2027.**

Your academic record will be reviewed once final grades are received.

A York transcript is not required.
